

### **CE Seminar Attendee Frequently Asked Questions**

**1. *How many continuing education credits will I receive for this course?***

This course is approved by the California Board of Registered Nursing for 2.0 contact hours.

**2. *I see this is approved by the California Board of Registered Nursing, but I don't work in California, is it good in all states?***

Yes, the California Board of Registered Nursing approved contact hours are approved for all US States, Canada and International.

**3. *I don't need the credit so do I still need to complete the registration form?***

Yes, we would appreciate everyone completing so that we can have a complete list of all attendees who received the education.

**4. *I am a surgical technologist, is this course approved for surgical technologist credit?***

This course is awarded nursing credit and you would need to submit to your accrediting body for approval.

**5. *When will I receive the program certificate of attendance?***

Nursing certificates are included in the back of each booklet. Please keep the certificate of attendance for your records. The certificate is only valid if you have registered. Please contact Pfiedler Education if you have any questions (number is in the booklet).

**6. *I am a nurse and I do not have my nursing license number. Do I need to complete that section of the registration form?***

No. You do not need to provide your nursing license number on the registration form.

**7. *Do I really need to keep the booklet?***

Yes. The booklet is part of the educational program and includes additional information on the educational subject for you to complete on your own time.

**8. *Can I share this book with other team members who were unable to attend?***

Yes. Feel free to share. To receive contact hours, you must attend the live presentation. Please let me know if you want to schedule another presentation for those who were unable to attend today.

**9. *Can we make copies of the booklet?***

No. The booklet should not be copied.

**10. *I can only stay for part of the presentation. Can I still get credit?***

You must be present for the entire educational presentation in order to get credit.
